CHANGE OF SERVICE PATTERN AT ST GUTHLAC'S

We have made a change to the pattern of our services at St Guthlac's. We are aiming to provide better provision across the whole Benefice so that everyone can go to a type of service that suits them every Sunday. For example, there will be a Communion Service every Sunday at either St Guthlac's or St Mary's. In addition, there will be a service or activities suitable for young people each Sunday in at least one of the two churches. There will also be sung formal matins and informal morning services most months in the Benefice. We hope you find the change helpful. The pattern of services at St Guthlac's is:

1 st Sunday in month	Holy Communion
2 nd Sunday in month	All Age Worship
3 rd Sunday in month	Holy Communion
4 th Sunday in month	Matins or Morning prayer
5 th Sunday in month	All Age Communion

Church Wardens: Tina Jarvis & David Hunt

FOR YOUR PRAYERS Please remember those whom we have been asked to keep in our prayers. Please remember those who have died recently and pray for their family and friends. For other prayer requests, please speak to a churchwarden.

WELCOME! It's my pleasure to extend a formal welcome to the Rev'd Aphro McCullough, who is joining the Ministry Team for the benefice. Aphro and her husband Dale have been worshipping at St Mary's and St Guthlac's since Christmas and have really appreciated the warm, loving welcome that they've received. Aphro will be ministering alongside Adrian, Stephen Foster and Fiona Wingate (Reader-in-training) and so will become a familiar face in both our churches. She brings a wealth of experience in the health service as well as in ordained ministry. *Adrian Jones*

CHRISTIAN AID WEEK AND PETITION Thank you very much to everyone who has collected for or donated to Christian Aid week. There are envelopes at the back of church for anyone who did not get included in the house to house collection and would like to contribute. Please also consider signing the petition in the welcome area:

Ten women die from giving birth every day in Sierra Leone. It is the most dangerous place in the world to become a mum. The country lacks the funds needed to provide the most basic health services – things that you and I take for granted. After the 2014 Ebola outbreak, Sierra Leone was given loans to help cope with the crisis. Paying these back is taking money away from the healthcare that is so desperately needed to tackle death in childbirth. The petition the UK Government to use its power in the International Monetary Fund to:

- *Ensure all Sierra Leone's debts on the loans it received for fighting the Ebola outbreak are written off.*
- *Take urgent action to prevent new debt crises in developing countries and tackle them effectively when they arise.*

Thank you. Lesley Meakin
(Christian Aid Week co-ordinator).
