MALAWI MOBILE HEALTH CLINIC: An extract from a letter from Bishop Christopher to David Hunt dated December 19th 2019.

Many thanks indeed for the cheque for £620 - £400 for the mobile clinic and £220 for the family of the late Canon James Kenneth Chifisi. This help and your inclusive understanding are very much appreciated. We are no longer sending Likuna Phala because of increased clinic costs.

The clinic goes from strength to strength. It is under good leadership and the care is comprehensive and innovative. It is organised by a consultant from Mzuzu Central Hospital, Dr John Chipolombwe who is an Anglican and worships at St Mark's Mzuzu. The new team consists of two clinical officers, two nurses, a pharmacist and a dentist who are able to give more specialised treatment.

The last two trips took place on 23rd & 30th November. The next trip is on 21st December to Mfula. Currently the rains make it impossible to reach Chamalala. Last time they treated 739 patients in all of whom 324 were children under 14 years old. The most common diseases/conditions seen at both places are: malaria, sepsis, diarrhoea diseases, musculoskeletal conditions, respiratory diseases, cardiovascular diseases, gastritis, skin conditions, allergic conditions, oral conditions, worm infestations and ophthalmic conditions. It continues with the life changing and in some cases life saving work.

Thank you for your continued support and thank you on behalf of those who cannot thank you themselves.

May I send all at St Guthlac's my very good wishes for a memorable Christmas and every blessing for a peaceful and purposeful 2020.

Yours very sincerely +Christopher

There is a copy of a detailed report on Mfula Outreach Clinic- Manjondo- Kasungu outlining a visit to Mfula outreach clinic which took place on 24th August, 2019 in the welcome area.

STAMP COLLECTING FOR LEPROSY FUND: Please continue to recycle your stamps by donating to our Leprosy Fund collection at church. Stamps of all descriptions, GB and foreign, common or rare, are welcome, but please please cut them out with a border of **no more than 5mm** around. Postcards, posted or unused, are also collected. Thanks to everyone who has contributed to this charity over the past year - over the past 30 years, more than £1million has been raised for the Leprosy Fund through collecting stamps - isn't that amazing!
