Second Sunday of Advent

Sunday 4th December

This Sunday Revd Janet Gasper will preside and preach at a service of Holy Communion at 10.30am.

The Collect & Readings for the Second Sunday of Advent

The Collect

O Lord, raise up, we pray, your power
and come among us,
and with great might succour us;
that whereas, through our sins and wickedness
we are grievously hindered
in running the race that is set before us,
your bountiful grace and mercy
may speedily help and deliver us;
through Jesus Christ your Son our Lord,
to whom with you and the Holy Spirit,
be honour and glory, now and for ever.
Amen.

First Reading: Isaiah 11.1-10; **Psalm 72.1-7, 18-19**

Second Reading: Romans 15.4-13;

Gospel Reading: Matthew 3.1-12

PRAYERS

Praying for the World: Please pray for those who find themselves homeless this Advent or in housing that is insecure, unsuitable or risky. Pray that there will be a resolve amongst the rest of us to end this problem and to see everyone in good, health-promoting accommodation.

Praying for the Church: Please pray that in all the hustle and bustle of preparations for Christmas, the Church will have a clear and

distinctive voice, and that the message of hope and rescue will be heard by many.

Praying for those in need: Please pray for all those who are in need at the moment, those who are unwell in body, mind or spirit, and those who are anxious and worried.

Also, give thanks for those who are recovering and who have found God's peace.

Please remember those who have died recently and pray for their families and friends. We particularly remember **Audrey (Kate) Page** and **Judi Stone** as well as all those whose anniversaries fall at this time.

Weekly prayer for roads in the parish – **St. David's Crescent.**

For further prayer requests which can be included in the weekly prayer list or anonymized and prayed for in private, please contact Revd Adrian adrian.jones@zoho.com or Jane administrator@stguthlac-knighton.co.uk

News of the death of John Fidoe: Our former church member and friend to many, John Fidoe, died recently, at his care home in Sheffield, aged 96. John, a former Police Officer, was for many years, a loyal and regular member of the St Mary's Choir although profoundly deaf.

His son Michael lives close by with his wife Wendy, while his daughter Beth and her husband Simon live in Australia.

After a private cremation in Sheffield, his ashes will be interred next year, here in Knighton, in the St Mary's Garden of Remembrance, with those of his wife Kath, who died in January 2017. Please remember John's family and friends in your prayers at this sad time.
Adrian

Thank you Bernard and family would like to thank everyone for their kind messages of sympathy and love shown to us at this very sad and difficult time. We have gained much comfort from these messages. Thank You.

Our next Curate: I'm very pleased to announce officially that next summer Cecilia Adjadge will be licensed as Assistant Curate in the benefice of Knighton. As you'll know, Cecilia is in her final year of training at the moment, and is on placement with us here. She'll be ordained at Petertide in 2023 (end of June/ start of July) and then we will welcome her into a new full-time role serving both our Knighton churches and parishes. In the meantime, please pray for Cecilia as she keeps studying, and for Peter her husband, and Esther, David and Daniel, their children as they work out the changes in life that lay ahead! *Adrian*

Caring for each other at church during infectious times

Our Worship Committee, on behalf of the PCC, continue to discuss the precautions we should take at St Guthlac's.

- When we come to church we should continue to have the highest regard for the safety and wellbeing of other people as well as our own comfort.
 - to be understanding of those people whose response to the hazards of the virus is different to our own.
 - not to come to church if we have any symptoms of covid-19.
-
- ❖ For the moment Bread only is being offered at the 10.30am Sunday Communion Services. As a trial, the priest will give bread that is dipped in wine at the 9.30am Thursday Communion Services on 1st and 8th December.
 - ❖ The priest officiating at Communion will continue to sanitise their hands.

Thank you for your understanding and co-operation with these precautions – this way we can remain both safe and welcoming!

Adrian & Churchwardens

Your next step on the journey of faith? You may be feeling that you've grown in faith through 2022 and that it's time to recognise that in some way. In the Church of England there is a special service for teenagers and adults who want to affirm the Christian faith for themselves, called Confirmation. This service is led by the Bishop and usually draws together 'candidates' of all ages and backgrounds from different churches. In early 2023 there are two local Confirmation services taking place: 10.30am, Sunday 22 January at The Church of the Martyrs and then 2.00pm, Sunday 19 February at St Margaret's Church. If you think this might be the next step in your journey of faith then do have a chat with me in the next few weeks, and I can tell you all about it. *Adrian*

Update on Malawi from Bishop Christopher

Recently, I had a message from Malawi that they have had an outbreak of cholera. I have been exchanging messages with our medical team and the diocese. I've been impressed with what has been happening. The Diocese has built three boreholes in and around the infected areas; the third will be completed soon. Access to clean safe water is essential if cholera is to be eradicated

Our Team Medical Leader, Dr John Chipolombwe, has been talking with the District Health Officers for Chamalala (Kasungu) and Mfula (North and South Mzimba). He tells me that help from the UN has given funds for vaccinations, chlorine (means to purify water) all of which I had mentioned to him. So this is excellent news. More importantly, and the most significant intervention, is to have access to clean safe water - as I've said - but also the building of latrines to stop the frequent and dangerous practice of open defecation. Currently, what they lack to move this programme on - the education on how to prevent cholera - is funds for the sensitisation campaign and chlorination of water points

In consultation with the local health districts Dr Chipolombwe has sent me a budget to help launch this programme: £800. It sounds a large sum of money. I think this is about 50% of what might be required but it is all he has asked for. The programme will involve almost 100 personnel. It consists of a mixture of invited guests (e.g Village Headman, Headteachers and others); it is a way of getting the villagers there. Also performers. Drama is a big part of getting the message across as well as support staff all who need feeding and allowances. Included in this is the cost for a meeting tent and amplification hire.

I'm confident we can raise this and I'm very keen to do so. The impact will be significant for 1,000s of people and a swathe of the Northern Region of Malawi. Later today or as soon as I can I'll send some other emails and make some 'phone calls. I have some funds in reserve which we could use.

Thank you and as ever, very best wishes. +Christopher
