The Collect and Readings for the Third Sunday before Advent

Almighty Father,
whose will is to restore all things
in your beloved Son, the King of all:
govern the hearts and minds of those in authority,
and bring the families of the nations,
divided and torn apart by the ravages of sin,
to be subject to his just and gentle rule;
who is alive and reigns with you,
in the unity of the Holy Spirit,
one God, now and for ever.
Amen

1st Reading: Wisdom of Solomon 6.12-16;

Canticle: Wisdom of Solomon 6.17-20;

2nd Reading: 1 Thessalonians 4.13-18;

Gospel Reading: Matthew 25.1-13

Praying for the World: Pray that across the world we would not lose sight of the critical problems that face us all - the climate emergency, the migration crisis and widespread injustice. Pray for leaders who will tackle these issues in their nations with integrity, wisdom, and compassion, seeking the common good and the welfare of the most vulnerable.

Praying for the Church: Please pray for the General Synod of the Church of England meeting this week, and spending time discussing the Bishops' work on the Prayers of Love and Faith and other provision for same-sex couples. Pray for the Holy Spirit to bring calm, peace and respect to all sides in the debates. Pray for deep compassion for those hurt in the past and fearful for the future. Pray too for wisdom and clear vision, together with a spirit of unity in Christ, even within our disagreement.

Praying for those in need: Please pray for all those who are in need at the moment, those who are unwell in body, mind or spirit, those who are anxious and worried as well as those facing new challenging circumstances.

Also, give thanks for those who are recovering and who have found God's peace.

Please remember those who have died recently, and pray for their families and friends. We also remember all those whose anniversaries fall at this time.

Weekly prayer for roads in the parish – **Stoughton Drive South.**

For further prayer requests which can be included in the weekly prayer list or anonymized and prayed for in private, please contact Revd Adrian adrian.jones@zoho.com or Jane administrator@stguthlac-knighton.co.uk

Blessing your donations & the Collection Plate

Now many people do planned-giving through their direct debit, it seems inappropriate to hand the collection plate round during a service. The collection plate now will be at the back of the church.

Please leave your donation as you come into the service. A steward or member of the congregation will take up the plate to the altar for all donations to be blessed during the 3rd / offertory hymn or at a suitable point in non-Eucharist services.

OCTOBER ECO TIP

Provide food and shelter for wildlife, now and in preparation for next year. Clean all your bird feeders to avoid the spread of disease to winter migrants and put up a nest box well in advance of breeding season. A nest box could also prove a cosy spot for small birds to spend the night on particularly cold winter evenings ahead.

Dear Friends,

‘A BRIGHTER BUILDING’ - a new appeal.

Will you help fund the repair and re-decoration of St Guthlac’s?

Over the last year we have all had to bear the consequences of the “cost-of-living-crisis” - everyone’s budget has been squeezed, and some very tightly indeed.

Firstly therefore, I want to pass on the grateful thanks of the St Guthlac’s Church Council and myself, for your continuing financial support through your giving to the Church. Your donations and fundraising are essential – they enable the Church to maintain and expand our Christian life together, and to keep our focus on outreach and support in the local community and beyond.

Given the challenging times in which we live, it is more important than ever that everyone can find a welcoming space where we can worship God together and grow in the faith that gives us hope and security – and for many of us, that place is the local church.

This is why I am writing to you now. We want to ensure that St Guthlac’s is once again ‘A Brighter Building’ for meeting together and worship - and so today we are launching a new appeal for the funds needed for essential repairs and re-decoration.

The interior of the church was last painted many years ago, and after the installation of the new heating system the intention was always to completely redecorate and make good. Now that some considerable time has gone by, we are also concerned that the building will deteriorate if we don’t act soon; we know that spending money now

will save higher costs in the future and want to nip any problems in the bud. The other building issue is that two areas of flooring have become weak and potentially unsafe – you may have seen the ‘hazard’ tape in the chancel area but there is also an area in the vestry that needs attention. Both areas will need to be taken up before repair, and more, unforeseen, problems may then become apparent.

We are now launching our **‘A Brighter Building’ Appeal** for **£20,000**, so that we can carry out these essential works.

Raising this amount will certainly be a challenge for us, but I am confident that

“God will meet all your needs according to the riches of his glory in Christ Jesus.” (Philippians 4.19)

The Bible reminds us many times about God’s incredible generosity towards us, and exhorts us all to reflect that generosity in our own giving:

“Whoever sows sparingly will also reap sparingly, and whoever sows generously will also reap generously.... for God loves a cheerful giver.” (2 Corinthians 9.6 & 7)

So, can I urge you to consider how *you* can contribute to our appeal to create **‘A Brighter Building’**? Our Appeal Donation Pack gives you all the information you need to make either a one-off gift or a regular contribution.

Thank you for supporting St Guthlac’s, and enabling us, together, to provide a **Brighter Building** for the future of our special church.

Very best wishes,

Revd Adrian Jones (Vicar)

A Prayer for peace in Israel and Gaza

Heavenly Father, we pray for the many people whose lives have been torn apart by conflict in Gaza and Israel.

We pray especially those who have died, those who are grieving, the injured and those now without food, shelter or medical supplies. Strengthen and support the work of all relief organisations.

We pray also for those who have the power to bring peace. May they be touched by a spirit of compassion and kindness.

Lord hear us as we pray in the power of your Spirit, through Jesus Christ our Lord.

Amen

Celebrating Diwali: This Sunday 13th, is Diwali Day, a special celebration for Hindus, Sikhs and Jains. Diwali events remember the triumph of good over evil, truth over falsehood and light shining in the darkness. They focus on the story of the god Rama and his rescue of his bride, Sita.

For many of our neighbours in Leicester this is a very significant time of the year - do wish them "Happy Diwali!" *Adrian*

Christian Aid Gaza Emergency Appeal

Christian Aid has been working with the poorest and most vulnerable people in the Middle East since the early 1950s, when we provided humanitarian relief to Palestinian refugees.

In Gaza, our medical partner is providing mobile medical and psychological care. This is a local response where there is limited access, and will allow patients who've been discharged early from severely overcrowded hospitals to be treated at home. The mobile health clinic will provide people with access to a doctor, nurse, social worker or physiotherapist. The mobile dressing team will reach people who require wound dressings to be changed, reducing the risk of infection.

In southern Gaza, our partner is responding to those most recently displaced to southern Gaza as a result of the war. They're providing:

- Mattresses
- Medicines (e.g. for people with chronic illnesses)
- Emergency food from a community kitchen for approximately 200 displaced people.

Moving forward, they'll be reaching more than 300 households who are most affected, with a cash grant to support them to meet their needs.

We're actively exploring ways in which we might also support Israeli civilians who've been directly impacted by the violence.

Your donations can make a huge difference to the current conditions of those affected

Please donate what you can today by visiting .
