The Collect and Readings for the Thirteenth Sunday after Trinity

Almighty God,
who called your Church to bear witness
that you were in Christ reconciling the world to yourself:
help us to proclaim the good news of your love,
that all who hear it may be drawn to you;
through him who was lifted up on the cross,
and reigns with you in the unity of the Holy Spirit,
one God, now and for ever.
Amen

1st Reading: Jeremiah 4.11-12, 22-28;

Psalms 14;

2nd Reading: 1 Timothy 1.12-17;

Gospel Reading: Luke 15.1-10

Praying for the World: Please pray for good government in every nation. Pray for integrity and honesty in leadership and the development of strong civil society across the world. Pray that many people will put service of others and their community ahead of personal enrichment.

Praying for the Church: Please pray that in this season of Creationtide we all learn a deeper sense of gratitude to God for all his goodness as we see it in the shared life of the Church that he has given us. Pray that we will be stirred to strengthen our bonds of friendship and shared faith.

In particular please pray this week for **Julie Smith, Katherine Swanson, Margaret Roff, Adri Cook, Dale McCullough** and **John Orme**.

Also, give thanks for those who are recovering and who have found God's peace.

Please remember those who have died recently, and pray for their families and friends. We also remember all those whose anniversaries fall at this time.

Weekly prayer for roads in the parish –**Shirley Road**.

For further prayer requests which can be included in the weekly prayer list or anonymized and prayed for in private, please contact Revd Adrian adrian.jones@zoho.com or Jane administrator@stguthlac-knighton.co.uk

Communion at Home: If you find that coming to church on Sundays or for our midweek services is just too difficult, you might appreciate the opportunity for receiving Communion at home occasionally. Please let Adrian know if this would be helpful and we'll see what can be arranged.

PLANNED GIVING SCHEME Regular giving is an integral part of our church life supporting our day-to-day costs, ministry and mission. A good way to achieve this is through a weekly envelope or a monthly bank standing order as part of our Planned Giving Scheme. Scheme details can be obtained from David Hunt, Planned Giving Scheme Secretary: churchwardens@stguthlac-knighton.co.uk. If you are a taxpayer and gift aid your giving, our church can claim an additional 25%.

Now many people do planned-giving through their direct debit, it seems inappropriate to hand the collection plate round during a service. The collection plate now will be at the back of the church.

Please leave your donation as you come into the service. A steward or member of the congregation will take up the plate to the altar for all donations to be blessed during the 3rd / offertory hymn or at a suitable point in non-Eucharist services.

Creationtide at St Guthlac's: Join us throughout September as we celebrate the wonders of creation that are around us. Each Sunday will build on the theme of our shared creation and how we interact with it. On 7th Sept - Cecelia will kick off the season with the Eucharist. 14th September is our All Age Worship - Harvest gift service in which we'll have a special guest from Open Hands. As in previous years our gifts will go to Open Hands so please see the notice about what they like to receive. Sunday 21st September we're delighted to welcome a dear friend of St Guthlac's church, Bishop Christopher Boyle to preside and preach at the Eucharist. After the service there will be a chance to hear more about the work of the mobile clinics in Northern Malawi and a special treat awaits us. Finally, the season will close with Morning Prayer on the 28th September at which Aphro will preach. We look forward to welcoming you to Creationtide at St Guthlac's.

EcoTip for September:

The Season of Creation (1 September - 4 October) is dedicated to God as the creator and sustainer of all life. During this period of the church calendar, many churches celebrate Harvest, thanking God for His provision through the land and food that is grown. It's a time when churches and congregations are called to pay special attention to the responsibility of humanity for the Earth and for all that lives upon it, and to pray for our world. Join us as we celebrate all of creation at St Guthlac's.

Mothers' Union Fellowship

Our next meeting will be on Tuesday, 23rd September in the Cottage room of the Parish Centre, at 1.30 for a 2pm start. The Reverend Janet will be our speaker. As always, non-members are welcome to join us. LP

Your Invitation – A special Minster Community meeting

Dear Brothers and Sisters in Christ,

As you will be aware the process of formation of Minster Communities across the Diocese is underway. Working groups involving individuals from parishes across our Minster Community (MC3 Teal) have been working hard to identify where Parishes are at present and creatively thinking about how all the Parishes across the Minster can work together in the future.

Each of the seven working groups has now developed a short report and alongside these there will be a summary document which we would like to share with all the Parishes by mid-September. We are then going to hold a ‘*Sense Making*’ meeting – at which the reports will be reviewed and any gaps can be filled or further ideas be contributed from the parishes themselves.

The ‘Sense Making’ meeting will be held on **Saturday 27th September** at St Hugh, Eyres Monsell. We will gather at 9.30am for a 10.00am – 12.30pm meeting. Refreshments will be provided. **Everyone in your Church is invited to come along – even if they haven’t been part of the discussions so far. We will have the report ready for you before the meeting – meanwhile please put the date in your diary.**

If you have any questions, please contact
Jenny Kurinczuk (jenny.kurinczuk@npeu.ox.ac.uk),
Fiona Wingate (*****)
or Adrian Jones (adrian.jones@zoho.com)
who are members of the MC3 Teal Co-ordinating Group.

Reflections from the Leicestershire Round 100mile Cycle, Amy Barnes

Amy Barnes is raising money for LOROS, the Leicestershire and Rutland Hospice

<https://www.justgiving.com/page/amy-barnes-7>

On September 6th I cycled 100 miles around Leicestershire roads to raise funds for LOROs. The route was extremely hilly with a total of 5748 ft elevation, not for the faint hearted. This was a personal challenge, having recently lost a colleague, Helen to breast cancer. Helen had worked for 25 years at Newbold Verdon and Market Bosworth Medical Practice and worked her way up from receptionist to assistant Practice Manager. We said our good byes last week on what would have been her 60th birthday. I had not cycled much before the race and bought a new bike in July, starting build up to 40-50 miles cycles at the weekend to train for this epic challenge with my friend, Emma who has a lot more cycling experience. Throughout the cycle I was struck by a few thoughts which I'd like to share with you.

- Leicestershire is far hillier than I thought and we are blessed with some stunningly beautiful countryside.
- Sometimes when things get tough, you just have to keep peddling.
- Your body can do amazing things if your mind lets it.
- Having support from Emma, my husband, Dan who provided Dad duties while I was out for hours on training cycles, and colleagues was essential to success. The event was incredibly well organised with brilliant support from volunteers.
- There were fewer than ten ladies taking part, a big minority compared with the men. I would like to encourage and inspire other ladies to take up cycling too.
- My work place is a really wonderful community to be part of, I received many, many messages of support and encouragement on the day which boosted my morale and helped give me the strength to get through the tough bits. The weather was also very kind, perfect conditions.
- There is no better feeling than freewheeling down a steep hill for letting go of any burdens and feeling like a child again!
- Helen's husband, Iain came to the mid-way point and end to watch the finish. We sat on a bank at Café Ventoux, watching a red kite swooping and circling several times. It was as though Helen was there, watching over us.

LOROS hospice is in danger of closure and the cost of a bed per night is £560. Helen spent her last days there, surrounded by her husband and two sons. If you do feel able to support this cause, it would help this vital work to continue.
