Praying for each other: As we enter January, please begin

afresh our cycle of prayers for each other by praying for all those in our church family and community whose surnames begin with A, B, C and D. Pray that a New Year will mean a growth in faith, hope and love for our friends.

“No time for prayer?
I do not understand
how you can live such
a careless life as that.”

Charles Spurgeon

Praying for the World: Following the unprecedented events in South America, please pray for peace and stability across the world. Pray that leaders everywhere will choose the path of peace and concern for others, above the voices of power and control.

Praying for the Church: This week please give thanks to God for all the retired ministers and those in other work too - thanks for all that they give to the life of our churches through their wisdom and experience. Pray that God will continue to give them a sense of calling and the strength to serve. Pray too, with others across our diocese, for the people and leaders of St Chad's (Scraptoft), St Peter, Highfields and St Philip, Leicester, as well as St Denys in Evington.

In particular please pray this week for **June Rich** and **Katherine Swanson**.

Also, give thanks for those who are recovering and who have found God's peace.

Please remember those who have died recently and pray for their families and friends. We also remember all those whose anniversaries fall at this time.

Weekly prayer for all roads in the parish.

For further prayer requests which can be included in the weekly prayer list or anonymized and prayed for in private, please contact Revd Adrian adrian.jones@zoho.com or Jane administrator@stguthlac-knighton.co.uk

PLANNED GIVING SCHEME Regular giving is an integral part of our church life supporting our day-to-day costs, ministry and mission. Scheme details can be obtained from David Hunt, Planned Giving Scheme Secretary: churchwardens@stguthlac-knighton.co.uk. Are you ready to confirm your faith in 2026?

As the New Year arrives on the horizon, you may be feeling that you'd like to take another step on your own journey in faith, or perhaps mark a return to a deeper experience of Christian faith and life in recent times. In the Anglican tradition, one way to confirm your faith in this way is a service of 'Confirmation', in which the Bishop asks for God's Holy Spirit to bring a special blessing to each person now moving forward in their Christian belief.

Towards the end of April, a Confirmation service will be held at Leicester Cathedral, and so now is the time to consider if 'being confirmed' is something you would like to do. Preparing for confirmation takes a few regular meetings with one of the clergy, as part of a small group, to consider the essentials of Christian belief and, in particular, how they have an impact on the way we live our daily lives – these meetings are based on discussion and friendship and there are no tests!

If you think that confirmation may be for you in 2026, then please have a word and find out more from Adrian, Cecilia, Janet or Aphro.

Eco Tip for JANUARY. Make 'enjoying nature' your priority.

From bird watching to writing about or drawing something that inspires you in nature, growing your own fruit or vegetables, or exploring an area of outstanding natural beauty in the UK, be sure to fall in love with nature in a new way this coming year and allow it to lead your thoughts towards God our Creator. Further ideas can be found at arocha.org.uk/ideas-to-enjoy-nature/

Communion at Home: If you find that coming to church on Sundays or for our midweek services is just too difficult, you might appreciate the opportunity for receiving Communion at home occasionally. Please let Adrian know if this would be helpful and we'll see what can be arranged.

Blessing your donations & the Collection Plate

Now many people do planned-giving through their direct debit, it seems inappropriate to hand the collection plate round during a service. The collection plate now will be at the back of the church.

Please leave your donation as you come into the service.

A steward or member of the congregation will take up the plate to the altar for all donations to be blessed during the 3rd / offertory hymn or at a suitable point in non-Eucharist services.

Make your Christmas Greetings go further. £150 has been raised for Malawi. Thank you.

Minster Community proposal writing stage

Following the hard work that each of the seven working groups (WGs) undertook, the coordinating group used the summaries generated by the WGs to take to the Sensemaking day at St Hugh on 27th Sept. The process of sensemaking led to additional thoughts being added to the summaries. We also had the chance to discuss: the stresses and tensions, larger insights, opportunities and gaps.

The next stage in the process of forming a Minster Community is '**writing the proposal**'. Once drafted this will be circulated to PCCs for comment and eventually taken through various stages within the diocese before coming back to the PCC for approval.

To write the proposal we need a 'writing group'. This needs to be a group of no more than 4-5 people. With the existing members of the co-ordinating group, we need no more than 1 or 2 additional volunteers to join the writing group. The writing group volunteers will each need to write sections of the proposal, to comment on the drafts of the proposal as they are generated and to contribute to editing the proposal to get it to its final stage. This will involve meeting several times over the course of the 3 months Jan to March 2026.

If you have writing and editing skills and you feel you would like to volunteer to be a member of the writing group, **please contact Fiona.** Please can you give examples of how you use/have used your writing and editing skills. This is so that in the event that we have more than 2 volunteers we are able to match these up to existing skills and fill the gaps.

Thank you for your contribution to the formation of the MC3 Teal Minster Community. We would not have been able to get to this stage without your focus, commitment and help.

Bishop's Chaplaincy Lecture - Lord Alan Beith

Wednesday January 28, 5.30pm-8pm – St Andrew's, 53 Jarrom Street, Leicester

Law lies at the heart of the Christian and Jewish traditions, and underpins the British constitution itself. Yet today, critics call it 'rule by judges' and others argue that unjust laws need not be obeyed. In a world of shifting values and contested authority, does law still matter?

Join us for the Bishop's Chaplaincy Lecture, delivered by Lord Alan Beith, who will explore the place of law in public life, the tensions it now faces, and why it continues to matter.

Lord Alan Beith served as the Liberal Democrat MP for Berwick-upon-Tweed from 1973 until 2015, when he entered the House of Lords. He was the Deputy Leader of the Liberal Democrats for 17 years and served variously as the Party's spokesperson for Constitutional Affairs, Treasury Affairs, and for the Lord Chancellor's Department. He has been a Methodist circuit lay preacher for 60 years, and founded the Historic Chapels Trust, which cares for Nonconformist and Roman Catholic churches and chapels which are no longer used for worship.

Open to all, the lecture is followed by a Q&A session. [Book a free spot here](#)

Tues 13th January 7.00pm

Angered by British Rail's decision to close down their local branch line, a group of villagers make a bid to run the service themselves, making use of an antique locomotive liberated from a local museum. They are backed by a monied member of the community who is attracted by the lack of licensing hours on trains. This puts them into direct competition with the local bus company!
