Sunday next before Lent

Sunday 15th February

This Sunday at 10.30am, Revd Janet Gasper will preside and Fiona Wingate will preach at a service of Holy Communion.

The Collect and Readings for the Sunday next before Lent

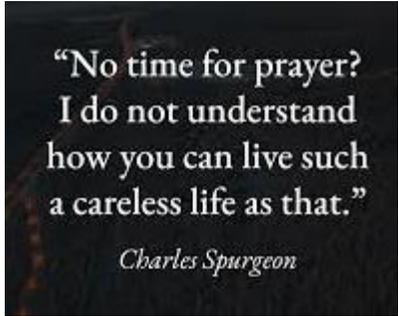

Almighty Father,
whose Son was revealed in majesty
before he suffered death upon the cross:
give us grace to perceive his glory,
that we may be strengthened to suffer with him
and be changed into his likeness, from glory to glory;
who is alive and reigns with you,
in the unity of the Holy Spirit,
one God, now and for ever.
Amen

1st Reading: Exodus 24.12-18;

Psalm 2;

2nd Reading: 2 Peter 1.16-21;

Gospel Reading: Matthew 17.1-9

“No time for prayer?
I do not understand
how you can live such
a careless life as that.”

Charles Spurgeon

Praying for each other: In this new month of February, please pray for all our friends and congregation members whose surnames begin with the letters E, F, G and H. Pray that in these cold days they'll experience the warmth of God's love, as he shares it with us both in Jesus and through our companions and families.

Prayers for the World: On Tuesday the Church remembers Archbishp Janani Luwum, who was martyred in 1977 because of his Christian stand against Ugandan dictator Idi Amin. Please pray for all those around the world who are making a courageous stand for freedom, democracy and for the rights and protection of the most vulnerable. Pray for their protection, their steadfastness, and for support from other voices in other places so that justice and compassion may prevail. Pray that our own Government will stand on the international stage with integrity and conviction, supporting those who 'hunger and thirst for righteousness'.

Prayers for the Church: As we begin Lent, please pray for a penitent heart in all Christians, and a real searching after God and his purpose that will lead us all to a joyful resurrection celebration at Easter. With others across our diocese this week, please pray for the people and leaders of St Aidans (New Parks), St Lukes (Stocking Farm) & Christ the King (Beaumont Leys), and St Mary de Castro (Leicester).

In particular please pray this week for **Dr John Chipolombwe, Eileen McKellican, June Rich and Katherine Swanson.**

Also, give thanks for those who are recovering and who have found God's peace.

Please remember those who have died recently, and pray for their families and friends. We also remember all those whose anniversaries fall at this time.

Weekly prayer for roads in the parish – **Barrington Road.**

For further prayer requests which can be included in the weekly prayer list or anonymized and prayed for in private, please contact Revd Adrian adrian.jones@zoho.com or Jane administrator@stquthlac-knighton.co.uk

Communion at Home: If you find that coming to church on Sundays or for our midweek services is just too difficult, you might appreciate the opportunity for receiving Communion at home occasionally. Please let Adrian know if this would be helpful and we'll see what can be arranged.

EcoTip for February: This Lent, take part in Climate Steward's Carbon Fast. Lent is a time when Christians traditionally fast and focus on God. The Carbon Fast will help you consider ways to live more simply, give you new ideas to cut your carbon footprint and invite you to focus on God and consider the whole of his creation. If you sign up of the Carbon Fast, then beginning on 5 March, you'll receive a weekly email containing key facts, suggestions for how you could reduce your carbon footprint and a prayer to lead you through this Lenten season. Each week features a different theme designed to help us take climate action in manageable ways that bear witness to a God who has promised to restore all of his creation. Blessing your donations & the Collection Plate

Now many people do planned-giving through their direct debit, it seems inappropriate to hand the collection plate round during a service. The collection plate now will be at the back of the church.

Please leave your donation as you come into the service.

A steward or member of the congregation will take up the plate to the altar for all donations to be blessed during the 3rd / offertory hymn or at a suitable point in non-Eucharist services.

Update from Bishop Christopher about the Mobile Clinics in Malawi:

This is by way of an update and also to thank you to all at St Guthlac for your sustained generosity and awareness of all that the clinic and its outreach means.

With your unstinting help we have been able to do the following:

- continue vital monthly visits to the villages during the dry season.
- 10 visits alone during the 5 months of the dry season - the rainy season began in November.
- 450/500 patients seen each month and the number grows
- a wide range and numerous medical conditions treated
- these include a high incidence of respiratory diseases - asthma, chest infection and cancers
- skin conditions such as scabies, fungal infections and eczema have been the most numerous
- Food supplements - Likuni Phala - given to the most vulnerable to help combat the silent killer of malnutrition: pregnant women and under 5s.
- 114 cases of nutritional concern were recorded.
- a local and innovative partnership forged between the mobile clinic, Mzuzu Rotary and Eyesight Universal has brought eyecare and glasses to the villagers.
- purchase of care and diagnostic equipment
- participation in a Polio Prevention Campaign.
- registration with the Medical Council of Malawi necessary for our continuation.
- each trip costs about £620

You have enabled the treatment to be more comprehensive and professional. In addition eye tests and glasses are now being offered on clinic visits to Chamalala.

In mid January it was reported by the BBC that Malawi's energy regulator has hiked petrol prices by more than 40% marking the second time fuel costs have gone up in four months. This impacts significantly on the running cost of the clinic. Fuel is a very large expense and it increases the costs of drugs too.

Equipment Shortage: A lack of dedicated screening hinders patients' privacy and medicine dispensing tables hinders what the team call the 'clinical flow' of patients.

I have asked Dr John Chipolombwe to send him the unit cost of folding screens and dispensing tables but is not sure when these may arrive. Dr John was discharged a week ago from hospital following major back surgery and has to wear a neck brace for 6 weeks. He is recovering but it all may take a little time.

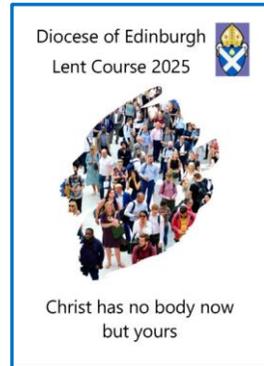

Thank you all again and God bless all our efforts going forward.
+ Christopher

Our Ash Wednesday Service ...and afterwards: The traditional habits of Lent have fallen out of fashion somewhat - apart from eating pancakes on Shrove Tuesday perhaps! It is good though, to remember the seasons of the Church's year and to make a point of preparing ourselves for the major festivals. Can I encourage you to take up a spiritual discipline for Lent this year? Perhaps choosing a prayer to say each morning, or committing to reading through one of the Gospels before Easter. You might also choose to skip a meal once a week so that you can give something extra to charity, or develop the virtue of patience by giving up something you enjoy until Easter.

Whatever you choose, Lent begins this year on Ash Wednesday, 18th February, and as usual we are holding a service of Holy Communion with the marking of an ash cross on the forehead of anyone who would like this physical way of entering the season. The service will be at 7.30pm at St Mary's and members of both our benefice churches are invited to come together. Please consider coming, and taking the time to thoughtfully and prayerfully begin your Lent with us. *Adrian*

LENT approaching! You may well have noticed that Easter is 'early' this year, and so, therefore, is Lent! As usual, Christians are encouraged to remember through Holy Week and then celebrate on Easter Day itself – and the weeks of Lent before then are a significant time for pause, thought, reflection, thinking, discussion and growth in our Christian faith.

In our **Sunday services** during Lent we will be picking up themes from a course written for the Diocese of Edinburgh last year, called "**Christ has no body now but yours**", which is based on the famous prayer by St Teresa of Avila. The course encourages us to think more deeply about our individual part in the Body of Christ and how we can better work out our faith in practical ways every day. Each Sunday service will be followed during the week by the chance to be part of a small group discussion around the same theme, with illustrations and questions to help us.

There will be (at least) two **Lent discussion groups**. One will run at St Mary's Parish Centre (in the small Cottage/Welcome Room) on Wednesday mornings at 10.30am-noon, starting on 25th February for five weeks. The other group will run in the entrance area of St Guthlac's on Thursday evenings at 7.30-9pm, starting on 26th February for five weeks. Please choose the best day and time for you – it doesn't matter which church you feel part of most! The course book for both groups is identical and costs just £1.50 towards the printing.

I do hope that you will want to use this Lent as an intentional time for growing your faith, and that you'll be able to join one of these groups. If you're keen but the dates and times don't work for you, please see me so that we can think about running an additional meeting.

Please sign the list at the back of either church to show that you'd like to be part of a midweek discussion group and that you'd like a booklet. See you there! *Adrian*
